1	Prevention and Wellness Fund, Recovery Act	CMS has made 55 funding awards to 43 states for the improvement of State Survey Agency inspection capability for Ambulatory Surgical Centers. CMS made 12 funding awards in FY09 and 43 funding awards in FY10. The intent of this program is to make funds available for State-level implementation of healthcare associated infection (HAI) reduction strategies. The funds will also be used to enhance HAI prevention activities and increase oversight and accreditation at the state level. The total appropriation available is \$10,000,000. The total obligation as of September 30, 2011 is \$9,999,148 to a total of 43 states.	1	ce	complete	1		10/8/2009	yes	
2	Prevention and Wellness Fund, Recovery Act Communities Putting Prevetion to Work	CMS has received \$2,500,000 from the Centers for Disease Control for implementation of a project under the Communities Putting Prevention to Work program. CMS is working in cooperation with the Administration on Aging to evaluate the impact of chronic-disease self management on the health care utilization of Medicare beneficiaries. CMS awarded a contract to Mitre on September 27, 2010 in the amount of \$ 2,409,940 to develop the criteria and requirements for a new Health Program Registration System. This system will be used to register participants in the Diabetes and Self Management Program and create the basis for evaluation against claims data (for Medicare beneficiaries) for CMS. This work is covered by an existing NEPA finding of Categorical Exclusion made by the Administration on Aging and approved September 9, 2009. See CMS ARRA Financial Reports for more information (TAF code 75-0942).		ce	complete			9/9/2009	yes
